

# 2024 Recital Guide

Please Read Everything Carefully

THANK YOU!

First off, thank you from all of us at M&S for giving us a great year! We have a great studio family and we were very blessed with such supporting families! We can't wait to watch your dancer and all of our dancers shine on the stage for this seasons recital!

## Let's Make History!

Here is the guide to EVERYTHING recital!

Recital is such an important element in finishing our season at Mind & Sole it allows:

- Your dancer to show all of their progress through out the year
- Gives your dancer a chance to perform.
- Helps your dancer gain confidence for years to come.

## Mandatory Dress Rehearsals:

Please come in your M&S recital outfit for dress rehearsal, you do not have to have hair and make up done for dress rehearsal but we want to have costumes and outfits worn.

**Thursday June 6th: Show 1 Dress Rehearsal 4:30-7:00**

**Friday June 7th: Show 2 Dress Rehearsal 4:30-7:00**

(Why do dress rehearsals? This allows your dancer to understand how recital will work to create a smooth run of the show. It also gets them used to the stage and lets them practice their dances in a different area.)

We are hoping each show to only be about an hour and 30 minutes long so the dress rehearsals could end earlier than scheduled time. During dress rehearsals we ask that if your dancer is 8 & under a parent be present in case we end earlier.

## RECITAL Day!

- We will have a roster list for each class given to you.

- We appreciate any help we can get and this helps our shows move smooth and fast, if you sign up for a helping parent you will not need a ticket and will have a badge to wear for that day.

### Costumes/Makeup/Hair:

-Have your dancer fully ready and dressed before arrival on recital day. Due to limited dressing room space the Competition Team dancers will be the only one allowed to use the backstage dressing rooms.
